

Checking In At the Badge Office

Effective **Monday, June 8, 2020** SRS Badge Office is requiring all customers, including visitors, to check in on Waitwhile, using their mobile device, prior to entering the facility.

Customers are encouraged to remain in their vehicles until they receive text notification to enter the Badge Office for servicing. Reporting to the Badge Office lobby without signing in will not expedite the badging process.

Customers must use this link to check-in upon arrival at the Badge Office <https://app.waitwhile.com/welcome/srskiosk>.
